Speed Boat Trip

Exclusive and tailor-made outing where you will be able to enjoy the breathtaking experience of observing dolphins in their natural habitat. If you are a little more adventurous, you might even seize the unique opportunity of joining both the spinner and bottlenose dolphins in the crystal clear waters of the west coast.

For the half day and the full day you will be able to visit the "Crystal Rock", discover the beauty of Le Morne lagoon and the Bénitiers Island as well. A delicious Bbq will be served on the island when doing the full day and you might choose to do some light tackle fishing after lunch.

- Dolphin watch (2hrs)
- Half day trip (08h00-12h00)
- Full day trip (08h00-15h00)

Embark on a unforgettable sailing experience on the sumptuous seas of the west coast full of fish varieties where dolphins will, very often, come to greet you. The stop in the lagoon at île aux Bénitiers, next to the "Crystal Rock", will be an opportunity to enjoy a panoramic view on the Black River range of mountains and to enjoy a BBQ on board.
